**4555 13th St. #2E
Boulder, CO 80304**

Profile

An enthusiastic, creative, and highly skilled developer with a multitude of coding and leadership experience. I am now seeking to contribute my discipline, expertise, and communication skills while expanding my knowledge.

Coding

C, C++, Python, Java, Scala, MySQL — 2014 - present

I have been working inside and outside the classroom to excel at several languages. I adapt well to new languages by applying the central principles of programming.

HTML, CSS, JavaScript, Wordpress, Drupal — 2011 - present

I have been learning full stack web development since high school.

Education

University of Colorado - Boulder, CO — B.S. in Computer Science, 2018

Shining Mountain Waldorf High School - Boulder, CO — 4.0 GPA and president of National Honor Society, 2013

Experience

Head of Operations, HackCU; Boulder, CO — 2016 - present

As Head of Operations for Colorado's only collegiate hackathon, I communicate with sponsors and manage team members to host hundreds of students for 36 hours.

Lead Web Designer, ASSETT, CU Boulder; Boulder, CO — 2015 - present

I use a wide array of web development techniques to create and manage critical university websites. I also perform training of new employees.

Skills

As a computer science student with experience outside of traditional college classes, I have an accelerated skill set for my age, including front end and back end web development, programming, graphic design, and proficiency with conversational Spanish. I have the ability to self-teach and procure important information with minimal supervision.
