Profile

An enthusiastic, creative, and highly skilled technical professional with a multitude of coding experience. I am now seeking to contribute my discipline, expertise, and communication skills while expanding my knowledge.

Coding

HTML, CSS, Javascript, Wordpress, Drupal — 2011 - present

I have been learning web development techniques and tools since high school, as well as back end web development.

C++, C, Python, and Scala — 2014 - present

I have been working inside and outside the classroom to excel at programming. Versatile due to my ability to apply fundamentals and adapt to new languages.

Education

University of Colorado - Boulder, CO — B.S. in Computer Science, 2017

Shining Mountain Waldorf High School - Boulder, CO — 4.0 GPA and president of National Honor Society, 2013

Experience

Lead Web Designer, ASSETT, CU Boulder; Boulder, CO — 2015 - present

Experience with HTML/CSS, Drupal, and Wordpress through managing and creating critical university websites used for student recruitment. Performed training of new employees.

Safety Enforcement Staff, Gateway Park; Boulder, CO — 2013 - 2014

Lots of customer service experience, as well as some managerial duties.

Resident Assistant, Triform Camp Hill Community; Hudson, NY — 2012

I lived full time at Triform Camp Hill Community for developmentally disabled adults.

Skills

As a computer science student with experience outside of traditional college classes, I have an accelerated skill set for my age, including front end and back end web development, programming, graphic design, and proficiency with conversational Spanish. I have the ability to self-teach and procure important information with minimal supervision.
